

**STUDENTS & PARENTS  
NEW & IMPORTANT INFORMATION FOR NEXT SCHOOL YEAR  
PLEASE READ!**

Beginning next school year (2011-2012), Fremont Community Schools will initiate a **new school delay procedure**. We will only delay school due to weather and/or unforeseen or unavoidable circumstances. In the past we have only delayed for two (2) hours, which in a few cases was not enough time to make a difference, therefore the entire school day was canceled. Fremont Community Schools applied for and received a waiver from the Indiana Department of Education to extend a delay to three (3) hours if necessary. **On three (3) hour delay days students will attend for one (1) hour longer in the afternoon. That means student dismissal would be at 4:00 instead of 3:00 p.m. Buses will still transport students as usual – just an hour later.**

As always, we encourage you to tune into WLKI – FM 100.3 or local Fort Wayne television networks to obtain the latest delay/cancelation information. On some occasions we will start out with a two (2) hour delay and depending on weather and/or road conditions update our status to a three (3) hour delay. *Again, it is very important to tune into local media for the latest updates.*

If you have any questions about this new procedure please contact the Fremont Community Schools Superintendent's Office at 495-5005.
