

# The Eagle's Eye

December 2011

Volume 6 • Issue 4

Principal: Mark Sherbondy

Guidance Counselor: Holli Miller

Athletic Director: Roger Probst

**FIND OUT WHAT'S HAPPENING AT FREMONT HIGH SCHOOL!**

## Student Council News

November was a fantastic month for our Student Council. We had two great events that brought in a lot of revenue for local charities. The Turkey Auction brought in over \$600 that will go towards purchasing charitable items this Christmas season. Semi-formal was a hit even though a smoke alarm went off and the middle school needed to be evacuated. The students were not deterred by the interference and moved the dance out into the parking lot. It was a very memorable night for all.

There are many charities that student council takes part in during the Holiday season. One charity is Toys for Tots. This is a class competition to see which third block class can bring in the most toys for less fortunate children in our community. The winning class will be rewarded with a pizza and pop lunch, so bring in your toys! Student Council is also contributing to the Adopt a Family organization by "adopting" a family and purchasing Christmas gifts for those in need.

## ANNOUNCEMENTS

**Planning is underway for After Prom 2012!**

If you would like to help in any way, please contact

Kris Beer at 495-7911 or email at [kt42493@locl.net](mailto:kt42493@locl.net)

We need all the \$\$ we can get for your prom.

See Holly Beer or Lexi Skeens  
for dues information.

# FHS Biology I Students to Host... A NIGHT AT THE MUSEUM

By Mr. Brent Byler

Have you ever wondered why the dinosaurs disappeared millions of years ago?  
Or what the Earth was like 3.6 billion years ago when life was just in its infant stages?

Well now you have an opportunity to find out!

Fremont High School Biology I students are joining efforts with the Fremont Public Library in offering the public a look into life throughout the history of Earth.

On December 19, from 6:30-8:00 pm, the public is invited to attend  
A NIGHT AT THE MUSEUM at the Fremont Public Library.

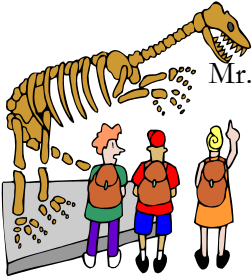

Mr. Byler's Biology I class will be presenting scientific EXHIBITS ranging from hands-on crafts where children can build models,

to video presentations of how living organisms have changed over time.

Each TEAM of students will be showcasing a major period of time, offering a glimpse into the history of LIFE ON EARTH and its modifications over millions of years.

Come and join in the FUN and INTRIGUE on hand at...

**A NIGHT AT THE MUSEUM.**
