

FREMONT HIGH SCHOOL /POST PROM PARTY 2010

This spring the parents of juniors and seniors at Fremont High School will be hosting the Post Prom Party for all students and their guests. This program has been established for years in order to provide a substance free tradition for the students, but we need your help to make this happen. Did you know that every year students are injured or killed in a drunken driving accident after their prom? These types of Post Prom programs become popular ways to promote a safe environment to continue their prom nights. There is food, movies, games and planned activities in a chaperoned environment. This year's Post Prom Party will be held on Saturday May 1, 2010 at the YMCA of Steuben County from 12 midnight to 6 a.m.

This committee has been planning ad fundraising since August 2009 but we are still in need to additional funds to make this event a success. This committee has been tasked with fundraising but we are still short of our goals.

I am asking you for your pledge today so that Post Prom Committee can be assured it will have enough funds to support the program for this year. Please remember that ALL Fremont Students will directly benefit from this substance free celebration and 100% of the funds raised are used for the students as the entire committee is voluntary.
